

## **Dentaid Annual Golf Day**

Leading oral health charity Dentaid is holding its fifth annual golf day on 20 June 2008 and inviting golfers from the dental trade and profession to participate and raise money for its pioneering work in the developing world.

The golf day will, once again, be held at the Hamptworth Golf Club near Salisbury in Wiltshire. This is a beautifully constructed course with challenges including copses, forest, water and downland, which wind through the woodland of Hamptworth Estate and over the River Blackwater.

The day will begin with bacon rolls and coffee before a shotgun start at 8.30 am. Refreshments will be available throughout the day and players will then meet back in the clubhouse for a delicious buffet lunch and prize giving. The winning team will be presented with the coveted 'Golden Molar' trophy. There will also be prizes for the runners up in the competition and the winners of the 'Nearest the Pin' and 'Longest Drive' competition.

Places are available for teams of four or individuals (who will be allocated teams) and the cost of booking is £55 per person. This includes coffee and bacon to begin, a round of golf and lunch.

The day is currently getting booked up fast with half the team places already filled. If you would like to take part in the day please call Felicity on 01794 324249 or email [info@dentaid.org](mailto:info@dentaid.org) for further details and booking forms.
