

Press Release

Dentaid Golf Day Success!

Oral health charity Dentaid is once again celebrating a successful golf day. The day, which was held at the scenic Hamptworth Golf Club near Salisbury, Wiltshire on 20th June 2008, saw a high number of teams entered to win the coveted Golden Molar trophy. Competition, as always, was fierce but all players agreed that they had a brilliant day.

Once the players had completed their 18 holes of golf they had a chance to sit down to a well deserved buffet lunch.

Following lunch it was time for the prize giving and the Lloyd and Whyte team consisting of Matthew Pyke, Mervin Pyke, Ian Passey and Rod Dawson were announced as the winners of the day.

The DPAS team consisting of Rob Coles, Andrew Warren, Stephen Drakeford and Gary Anders were awarded the runners up medals.

Other winners on the day were Gary Anders who won the 'Longest Drive' and Freddie Hall who won 'Nearest the Pin.'

Jenni Phillips, Dentaid's Fundraising and Communication Manager, said "We would like to thank everybody who took part in the day, the feedback has been very positive and we look forward to welcoming everybody back next year. The funds raised from events like these enable us to continue our work of improving the oral health of disadvantaged communities across the globe. Without the continued support from players and sponsors at our events this wouldn't be possible."

Dentaid would like to thank everybody who supported the day, including our sponsors A-Dec, Dentist Provident, Minerva, Braemer, Dentsply, GCUK, Cattani, Lloyd & Whyte, DPAS, Advanced Healthcare Ltd, Admor, Royal Bank of Scotland, Henry Schien, Bambach, Denplan, Qualident and BDTA.

After such a successful day Dentaid is once again anticipating that next years event will continue to increase in popularity. If you would like to book a place or team to play on the day or are interested in sponsoring a hole please contact the fundraising team on 01794 324249 or email info@dentaid.org.
