To register:

1. Contact Dentaid to check availability and register your interest. Email info@dentaid.org
Telephone 01794 324249
2. To secure your place, you will be required to pay a non-returnable registration fee of £35. You will be invoiced for this when you apply and early payment is advised. You will also be asked to complete and return a Dentaid event registration form.
3. Once payment is received by Dentaid your place will be released and you will receive an email from the ABP Southampton Half website with your registration instructions. It is your responsibility to log on to the site and register yourself accurately on the ABP Southampton Half website following the instructions. Registration closes approximately one month before the event. You will receive information about the event, parking etc. from the event organisers. Your number, start time and any other details will be sent directly to you closer to the event.
4. Each participant is required to raise an additional minimum fundraising amount of £100 and we suggest that you set up and open a Virgin Money Giving online fundraising page. This means that Dentaid can keep a track of your fundraising and provide support where needed.
5. Dentaid will send you a Running vest to wear and keep. Please capture photographs on the day and update Dentaid on how the event went for you.

Terms and Conditions:

The minimum fundraising target needs to be reached by 26 March for the Southampton races and 20 August for the Winchester race. Should this not happen the participant will be asked to make up the difference or forfeit their place.

Any donations made to Dentaid on your fundraising page are non-refundable even if you do not participate for any reason. Your initial registration fee is also non-refundable.

By joining this event you accept the terms and conditions issued by the event organisers and also agree to follow the instructions and terms set out by Dentaid.
